PART FOUR – PERMIT APPLICATION PROCESS

4.1 Application Requirements

- 4.1.1 Every application for a **permit** shall be made in writing to the **Manager** using the “Application for Soil Removal / Fill Deposit” provided for that purpose by the **City**, identified in Schedule “C”, which is attached and forms part of this bylaw and shall include:
- (a) a non-refundable application fee of Six Hundred Dollars (\$600) for the purposes of the **permit** application under this bylaw, together with the prescribed application fee under the *Agricultural Land Commission Act*;
 - (b) a security deposit in accordance with the requirements of Section 4.2.1;
 - (c) the following documents, plans and information relating to the proposed **removal** or **deposit** operation:
 - (i) evidence, satisfactory to the **Manager**, that an applicable application for **soil removal** or **fill deposit** has been made under the *Agricultural Land Commission Act*, as amended, and approved by the **Commission**;
 - (ii) a description of the composition and volume of the **soil** to be removed or **fill** to be deposited as prepared by a **Professional Agrologist**;
 - (iii) the street location, legal description and a copy of the title search of the **parcel**;
 - (iv) the consent in writing of the registered owner or owners of the **parcel**;
 - (v) a plan in reasonable detail indicating clearly the location of the proposed **deposit** or **removal** and all pertinent topographic features, including existing buildings, structures, watercourses and tree cover;
 - (vi) the depths and proposed slopes which will be maintained upon completion of a **removal** or **deposit**;
 - (vii) the methods proposed to control the erosion of the banks of a **removal** or **deposit**;
 - (viii) the proposed methods of drainage control for the site during and after a **removal** or **deposit**;
 - (ix) the proposed methods of access to the **removal** or **deposit** site during the operation including a scale map of the proposed routing and scheduling of truck and vehicular traffic;
 - (x) evidence, satisfactory to the **Manager**, that all requirements have been met under the *City’s Boulevard*

and Roadway Protection and Regulation Bylaw No. 6366, as amended;

- (xi) evidence, satisfactory to the **Manager**, that all requirements have been met under the City's *Tree Protection Bylaw No. 8057* as amended;
- (xii) the location and size of any buffer zones necessary to provide a visual and sound barrier between the **permit** area and adjacent lands, parks, roads, **highways** and other uses;
- (xiii) the proposed methods of noise and dust control during the **removal** or **deposit** operation, in compliance with the City's *Public Health Protection Bylaw No. 6989*, as amended;
- (xiv) the proposed completion dates for all **removal** or **deposit** operations;
- (xv) where requested by the **Manager**, site plans prepared by a **BC Land Surveyor** or **Professional Engineer** which plans may be required to show or include, without limitation, a statement of the volume of **soil** to be removed or **fill** to be deposited along with the calculations, cross-sections and other data and information used in calculating estimated total volume, site contours, particulars as to the present use and occupancy of the **parcel**, proposed slopes, pertinent topographic features, buildings, highways, watercourses and all other structures, utilities and facilities;
- (xvi) an indemnity in favour of the **City**, in the form prescribed, indemnifying and saving harmless the **City**, its agents, employees, officers and servants, from and against all claims, demands, losses, costs, damages, actions, suits or proceedings whatsoever by whomsoever brought by reason of, or arising from, the issue by the **City** of a **permit** under this bylaw to conduct the proposed **deposit** or **removal** operation; and
- (xvii) such further and other information as the **Manager** determines is necessary to adequately describe the nature and extent of the **removal** or **deposit** operation.

4.2 Security

- 4.2.1 Prior to the issuance of a **permit**, every applicant must deposit with the **City**, security in the form of cash or an unconditional, irrevocable letter of credit drawn on a Canadian financial institution, in a form acceptable to the **Manager**, in an amount equal to Twenty Dollars (\$20.00) per cubic metre of **soil** to be removed or **fill** to be deposited, based on the volume as outlined in the applicable reports submitted under Section 4.1.1 (c)(ii) and Section 4.1.1(c)(xv), to a maximum of Ten Thousand Dollars (\$10,000.00), to ensure full and proper compliance with the provisions of this bylaw and all terms and conditions of the **permit**.

- 4.2.2 That portion of the security deposit not required for the foregoing purposes or to repair damage to **City** property caused by the **removal** or **deposit** operations shall be returned to the applicant upon receipt of a final report, in a form acceptable to the **Manager**, from the **Professional Agrolgist** and the **Professional Engineer** providing applicable documentation under Section 4.1.1(c)(ii) and Section 4.1.1(c)(xv) respectively and confirming that all aspects of the original **removal** or **deposit** operation have been fulfilled. Any assessment of damage to **City** property or the costs of necessary repairs will be provided by the General Manager, Engineering & Public Works or designate.

4.3 Permit Issuance

- 4.3.1 Subject to Section 4.3.2, where:

- (a) an application for a **permit** complies with the requirements of this bylaw;
- (b) the proposed **removal** or **deposit** complies with this bylaw and all other applicable **City** bylaws;
- (c) the proposed **removal** or **deposit** has been approved by the **Commission**; and
- (d) the **Manager**, having regard to the documents, plans and information submitted with the application for a **permit**, is of the opinion that the **deposit** or **removal** operation can be carried out safely, without undue nuisance or interference to adjacent parcels or the public, or damage or injury to persons or property;

the **Manager** may issue a **permit**.

- 4.3.2 The **Manager** must not issue a **permit** where the proposed **removal** or **deposit** could reasonably be expected to:

- (a) reduce, damage or otherwise adversely affect the long-term agricultural viability of the **parcel** which is the subject of the **permit** or any adjacent or nearby **parcel**;
- (b) endanger, damage or otherwise adversely affect any adjacent **parcel**, structure, **highway**, easement, utility works and services or right-of-way;
- (c) foul, obstruct, impede or otherwise adversely affect any stream, creek, waterway, watercourse, groundwater aquifer, waterworks, ditch, drain, sewer or other established drainage facility; or
- (d) endanger or otherwise adversely affect an environmentally sensitive area.

For the purposes of making a determination under this section, the **Manager** may require an applicant to obtain a report by a **professional engineer**, scientist, technician or other person qualified under a **Provincial enactment** to make an assessment or recommendation on the matter and the **Manager** may refuse, limit, or impose conditions on a

permit based on information or advice provided in such a report or reports.

4.4 Expiry

4.4.1 Every **permit** shall expire twelve (12) months from the date of issue or upon such earlier date as may be specified in the **permit**.

4.5 Renewal, Extension or Modification

4.5.1 If the **removal** or **deposit** operations authorized by a **permit** are not completed before the **permit** expires, or it becomes necessary to alter or deviate from the particulars of the **permit** application or drawings submitted for a **permit**, the **Manager** may renew, extend or modify the permit upon written request of the **permit** holder, subject to the following:

- (a) a **permit** holder has no vested right to receive an extension, renewal or modification and the **Manager** may require that a new **permit** application be submitted;
- (b) the permit holder shall pay a non-refundable fee of One Hundred Dollars (\$100.00)
- (c) the application for a renewal, extension or modification is received no later than thirty (30) days before the expiry date of the existing **permit**;
- (d) the **Manager** may renew or extend a **permit** for an additional period of not more than one (1) year, except where the extraction or processing of aggregate or minerals is being carried out pursuant to a valid permit issued under the *Mines Act* or other **Provincial enactment**, in which circumstance a **permit** may be renewed as required, but continues to be subject to all other terms and conditions of this bylaw and other applicable enactments;
- (e) the **Manager** may require that the **permit** holder provide additional information authorized by this bylaw as a pre-condition to considering an application for a **permit** renewal, extension or modification; and
- (f) all terms and conditions set out in the original **permit** shall apply to each renewal, extension or modification of the **permit** except as amended or modified by the renewal, extension or modification.

PART FIVE – REGULATIONS

5.1 Regulations

5.1.1 Every **removal** of **soil** or **deposit** of **fill** shall comply with, and every **permit** issued under this bylaw is subject to the observance or fulfilment of, the following requirements, restrictions and regulations, to the satisfaction and approval of the **Manager**:

- (a) no **soil removal** or **fill deposit** activities may be carried out between the hours of 8:00 p.m. and 7:00 a.m. the following morning;
- (b) no **soil removal** or **fill deposit** activities may be carried out on a Sunday or any statutory holiday;
- (c) every vehicle used for hauling **soil** or **fill** shall be properly licensed and insured and in compliance with all applicable laws and regulations governing the use and operation of the vehicle on a **highway**;
- (d) every load of **soil** or **fill** shall be fully and properly covered so as to prevent **soil, fill** or dust from blowing or falling from the vehicle;
- (e) all damage to drainage facilities, natural watercourses, **highways** or other public or private property shall be promptly and properly repaired to the satisfaction of the **Manager** at the expense of the **permit** holder;
- (f) all streams, creeks, waterways, natural watercourses, groundwater aquifers, waterworks, ditches, drains, sewers or other established drainage facilities shall be kept free of all **soil** or **fill** arising from or caused by the **removal** or **deposit** operations;
- (g) no **removal** or **deposit** greater than One-half (0.5) metres in depth shall be undertaken within Two and One-half (2.5) metres of any utility pole, pipeline, structure or **highway** or below overhead wires without giving prior notice to and receiving written approval from the **City** or other authority having jurisdiction;
- (h) no **removal** or **deposit** shall be undertaken on a **highway**, statutory right-of-way or easement without first obtaining the permission in writing of the **City** or other authority having jurisdiction over such **highway** or statutory right-of-way;
- (i) all structures or excavations erected or made in connection with a **removal** or **deposit** operation shall be temporary in nature and shall be removed forthwith upon completion of the operation;
- (j) all hazards or potential hazards arising from the **removal** or **deposit** operation shall be adequately fenced or otherwise protected for the safety of the public;
- (k) during and upon completion of every **removal** or **deposit** operation, the boundaries of all adjacent **parcels, highways, rights-of-way** and easements shall be protected from erosion or collapse and from run-off of water or mud;
- (l) all **stockpiles** of **soil** or **fill** shall be confined to the locations prescribed in the **permit** and shall be maintained so that they do not adversely affect or damage adjacent **parcels** or cause a nuisance to any person;

- (m) all **removal** or **deposit** operations must not encroach upon, undermine, damage or endanger any adjacent **parcels** or any setback area prescribed in the **permit** or a bylaw; and
- (n) all **removal** or **deposit** operations shall be limited only to the area specified in the **permit** which shall be clearly marked at the site and such markings maintained for the duration of the **permit**.

5.1.2 The **Manager** may issue a **permit** subject to the observance or fulfilment of additional conditions specified in the **permit** which in the opinion of the **Manager** are necessary to achieve the purposes of this bylaw.

5.2 Identification

5.2.1 Upon request by the **Manager** or a City Bylaw Enforcement Officer:

- (a) the driver or operator of a vehicle or any equipment being used for **deposit** or **removal** activity, or the person in charge of the vehicle or equipment, shall provide his or her full name and current address (including photo identification to verify this information), the full name and current address of the owner of the vehicle or equipment, the full name and current address of the person directing the **deposit** or **removal** activity, and the addresses of the **parcel** or **parcels** to or from which the **deposit** or **removal** is being transported; and
- (b) a person who has allegedly contravened any provision of this bylaw shall provide his or her full name and current address and photo identification to verify this information.

PART VI – ADMINISTRATION

6.1 Right of Entry for Inspection

6.1.1 Subject to any requirements of a **Provincial enactment**, the **Manager** is hereby authorized at all reasonable times to enter upon and inspect any **parcels** to determine whether the requirements, restrictions, regulations, terms, conditions and directions of this bylaw or a **permit** are being observed. For certainty, any entry by the **Manager** to a site that is a “mine” for the purposes of the *Mines Act* must be conducted in compliance with the entry provisions of the Health, Safety and Reclamation Code for Mines in British Columbia under the *Mines Act*.

6.1.2 No person shall prevent or obstruct or attempt to prevent or obstruct the **Manager** from entering upon **parcels** as authorized by Section 6.1.1.

6.2 Notice of Non-compliance

6.2.1 The **Manager** may give notice to any person of a breach of, or non-compliance with, any of the provisions of this bylaw or a **permit** issued thereto and such person shall immediately cease all **soil removal** or **fill deposit** activities until such breach or non-compliance is remedied to the satisfaction of the **Manager**, and every owner of a **parcel** shall refuse to permit the further **removal** of **soil** or **deposit** of **fill** from or upon the

parcel until such time as the breach or non-compliance is remedied to the satisfaction of the **Manager**.

6.3 Failure to Remedy Non-Compliance

6.3.1 In the event that any person having received notice of breach fails within the time specified therein to remedy such breach, the City or its appointed agents may enter upon the **parcel** or any part thereof and carry out the works required to remedy the breach, and the expense of doing so shall be paid by the person in breach and, if not paid within 90 days, the expense, with interest at the prescribed rate and costs, shall be recovered in the same manner as municipal taxes.

6.4 Suspension or Cancellation of Permit

6.4.1 If:

- (a) there is a contravention of any term, condition, requirement or restriction of this bylaw or a **permit** issued under this bylaw; or
- (b) a **permit** was issued under this bylaw on the basis of statements made in the permit application or a report, declaration or record required under this bylaw, that were false or misleading with respect to a material fact or that omitted to state a material fact, the omission of which made the statement false or misleading;

the **Manager** may:

- (i) suspend in whole or in part the rights of the **permit** holder under the **permit**;
- (ii) cancel the **permit**; or
- (iii) amend or attach new conditions to a **permit** with the written consent of the **permit** holder.

6.5 Right of Reconsideration

6.5.1 Where an applicant or owner of a **parcel** is subject to a requirement or a decision made by the **Manager** under this bylaw and is dissatisfied with the requirement or decision, the applicant or owner may apply to the General Manager, Engineering and Public Works for reconsideration of the matter within 30 days of the requirement or decision being communicated to them.

6.5.2 An application for reconsideration must be delivered in writing to the City Clerk and must set out the grounds upon which the applicant considers the requirement or decision of the **Manager** inappropriate and what, if any, requirement or decision the applicant or owner considers the General Manager, Engineering and Public Works ought to substitute.

6.5.3 The General Manager, Engineering and Public Works may hear from the applicant and any other person interested in the matter under reconsideration who wishes to be heard and may either confirm the requirement or decision of the **Manager** or substitute its own requirement or decision.

PART SEVEN – OFFENCES AND PENALTIES

7.1 Offences and Penalties

- 7.1.1 Any person who contravenes or violates any provision of this bylaw or any **permit** issued under this bylaw or who suffers or allows any act or thing to be done in contravention or violation of this bylaw or any **permit** issued under this bylaw, or who fails or neglects to do anything required to be done under this bylaw or any **permit** issued under this bylaw, commits an offence and upon conviction shall be liable to a fine of not more than Ten Thousand Dollars (\$10,000.00) and where the offence is a continuing one, each day that the offence is continued shall constitute a separate offence.
- 7.1.2 A violation of any of the provisions identified in this bylaw shall result in liability for penalties and late payment amounts established in Schedule A of the Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122.
- 7.1.3 A violation of any of the provisions identified in this bylaw shall be subject to the procedures, restrictions, limits, obligations and rights established in the Notice of Bylaw Violation Dispute Adjudication Bylaw No. 8122 in accordance with the *Local Government Bylaw Notice Enforcement Act, SBC 2003, c.60*.

PART EIGHT – SEVERABILITY AND CITATION

8.1 Severability

- 8.1.1 If any section, subsection, sentence, clause or phrase of this bylaw is for any reason held to be invalid by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this bylaw.

8.2 Citation

- 8.2.1 This Bylaw is cited as “**Soil Removal And Fill Deposit Regulation Bylaw No. 8094**”.
